ARAWAK WORLD-FAMOUS PIZZAS

EAT IN OR TAKE OUT

"Believe it or not, as crazy it may sound, these "non-Italians" serve the tastiest pizza in the world! Yes, in the world!"

"Who would have thought that you would find the most mouth-watering pizza here, in Anguilla, by "Brits"? During our entire month, it's the only restaurant we visited twice!"

quotes from Anguilla-beaches.com

Each pizza is a work of art, specially crafted for your culinary pleasure. We make our own bases, and load them up with exactly what you want, starting with the best tomato paste, then lots of the finest quality mozzarella cheese (right to the edges).
